CHEEX offers a safe space for sexual entertainment and education. We create a progressive and inclusive approach to pornography, where people of all sexual orientations and identities can enjoy content that is inspiring, explanatory and helps them on their individual path to sexual liberation. With a focus on inclusivity and diversity, CHEEX is a membership based platform that comprises authentic adult films, erotic audio stories, live workshops, and a taboo-breaking magazine.

A Fair & Aesthetic Porn Revolution with CHEEX

CHEEX wants to provide pleasure for everyone. With CHEEX we can show you real porn as it should be: with real couples, authentic performers and through romantic erotic movies. CHEEX presents real sex exactly as it is: loving, hot, kinky and diverse. A variety of sex practices are presented in our categories: Group sex, oral sex, solo sex, queer sex, anal sex, masturbation with real orgasms depicted.

All contents available on the CHEEX platform are produced responsibly. We only show performers above the age of eighteen and choose our partners carefully. We are aware of our responsibility regarding porn consumption, stories are meant to stimulate our own fantasies and should not become a necessity for satisfaction.

Stream Porn Legally & Safely

CHEEX guarantees a safe porn experience, ad-free, virus-free and which is completely legal. CHEEX comes without intrusive personal ads, grungy pop-ups and unwanted ads. CHEEX does not share any data with third parties or track individual user behaviour. All sensitive data is safe with us: both from the user and performer's sides. Legal porn is still not a standard nowadays, at CHEEX we only collaborate with trustworthy partners, sustainable and fair productions with correct and ethical standards.

A fulfilling sex life requires the right knowledge about body and health. CHEEX helps you with its exciting sex tutorials and live workshops which will expand and broaden your sexual horizons, increase and intensify your pleasure.
